- ✓ Taped together

- × Double row
- × More than sixteen seats
- × Benches

CATCH NETS

- ✓ Black (not visible on camera)
- ✓ Fixed on ad-boards

- × Any other colour (visible on camera)
- × Not fixed on ad boards

Advertising on the playing court

- a) A maximum of eleven (11) floor advertising stickers – including the middle circle sticker - may be affixed on the playing court and an additional three (3) in each goal line/side goal line area.
- b) Notwithstanding the foregoing, two (2) additional floors stickers reserved to the EHF may be affixed on the playing court.
- c) In the event that the floor used was donated by the EHF, the side goal line area sticker to the left of each goal must be reserved for the floor supplier for a period of three (3) years.
- d) The floor stickers must not be slippery. They must be made of material adequate to the handball practice.

Advertising around the playing court

- e) A LED/LCD system shall be used on the long side of the playing court opposite the TV camera. The two short sides of the court must be surrounded by either a LED/LCD system or static advertising boards. The following apply:
 - The EHF right of advertising on this LED/LCD system must amount to a total of five (5) minutes
 - All advertising must move at the same time. The LED sequences must be of thirty (30) seconds at least. Further technical details must be agreed with the EHF at least three (3) months prior to the match date.
 - The LED/LCD system must cover the entire length of the long side (i.e. 40m). Advertising boards on the short sides must be 20m on each side.
- f) The two gaps in between the long side and the short sides advertising boards must not exceed twenty (20) centimeters each or, optionally, a corner board may be set-up.

Regardless of the means used, advertising boards, rotating system or LED/LCD system, the advertising set-up must be ensured on three (3) sides of the playing court, i.e. the long side opposite to the TV camera and the two (2) short sides, and must consist of only one row of a unified size as illustrated in the graphic below.

Set-up EHF EURO Qualifiers

① LED boards - 40m long x 1m high (min. 80cm)

② LED or static boards - 20m long x 1m high (or same height as LED board on long side)
